"I've witnessed the total devastation of HIV and AIDS in sub-Saharan Africa... I've met too many brave and beautiful children who are struggling to care for their sick parents or their orphaned brothers and sisters. Many children infected with HIV will not live to see their fifth birthday... Children suffer not only from this virus but also the stigma, poverty and destruction that accompany it. As a UNICEF ambassador I hope to draw more attention and funding to this crisis." -- Lucy Liu
